

Handwriting practice row for the letter 'c'. The background is divided into three horizontal bands: light blue at the top, light green in the middle, and light brown at the bottom. On the left, there is a cloud, a mole with its hole, and worms. On the right, there is a sun behind a cloud and a tuft of grass. The row contains a solid black 'c' with a dashed arrow showing the counter-clockwise stroke direction, followed by a dashed 'c' for tracing, and a green star. A second green star is positioned further to the right.

Handwriting practice row for the letter 'c'. Similar to the first row, it features a solid 'c' with a stroke direction arrow, a dashed 'c' for tracing, and two green stars.

Handwriting practice row for the letter 'a'. The background is divided into three horizontal bands: light blue at the top, light green in the middle, and light brown at the bottom. On the left, there is a cloud, a mole with its hole, and worms. On the right, there is a sun behind a cloud and a tuft of grass. The row contains a solid black 'a' with a dashed arrow showing the stroke direction (down then counter-clockwise curve), followed by a dashed 'a' for tracing, and a green star. A second green star is positioned further to the right.

Handwriting practice row for the letter 'a'. Similar to the first row, it features a solid 'a' with a stroke direction arrow, a dashed 'a' for tracing, and two green stars.
