

This row is the largest and features a large lowercase letter 'f' with a dashed outline for tracing. The letter has a solid black body and a dashed top loop. A green star is placed at the top of the vertical stem, and another green star is at the top of the loop. A third green star is positioned to the right of the letter. The background is divided into three horizontal bands: light blue at the top, light green in the middle, and light brown at the bottom. On the left side, there is a white cloud, a mole with its head and two legs sticking out of a hole, and the word 'leg' written twice in a cursive font. On the right side, there is a sun partially hidden behind a white cloud and a tuft of green grass.

This row is smaller than the first and contains a smaller lowercase letter 'f' with a dashed outline for tracing. It includes the same green stars and background elements as the first row.

This row is the same size as the second row and contains a smaller lowercase letter 'f' with a dashed outline for tracing. It includes the same green stars and background elements as the first row.

This row is smaller than the second row and contains a smaller lowercase letter 'f' with a dashed outline for tracing. It includes the same green stars and background elements as the first row.

This row is the same size as the fourth row and contains a smaller lowercase letter 'f' with a dashed outline for tracing. It includes the same green stars and background elements as the first row.

This row is the largest and features a large lowercase letter 'j' with a dashed outline for tracing. The letter has a solid black body and a dashed tail. A green star is placed at the top of the vertical stem, and another green star is at the top of the tail. A third green star is positioned to the right of the letter. The background is divided into three horizontal bands: light blue at the top, light green in the middle, and light brown at the bottom. On the left side, there is a white cloud, a mole with its head and two legs sticking out of a hole, and the word 'leg' written twice in a cursive font. On the right side, there is a sun partially hidden behind a white cloud and a tuft of green grass.

This row is smaller than the first and contains a smaller lowercase letter 'j' with a dashed outline for tracing. It includes the same green stars and background elements as the first row.

This row is the same size as the second row and contains a smaller lowercase letter 'j' with a dashed outline for tracing. It includes the same green stars and background elements as the first row.

This row is smaller than the second row and contains a smaller lowercase letter 'j' with a dashed outline for tracing. It includes the same green stars and background elements as the first row.

This row is the same size as the fourth row and contains a smaller lowercase letter 'j' with a dashed outline for tracing. It includes the same green stars and background elements as the first row.
